

# Kukuza Associates LLC

## Our Story:

Kukuza Associates™ takes cannabis companies further, faster with a solid finance and accounting foundation. Our savvy finance pros, esteemed members of our 25-year-old parent company's dream team, jump into the action to help cannabis companies make the right finance moves and reach their greatest potential. Kukuza has a wide range of finance solutions to get them there.

Kukuza helps companies of all sizes, from startups to established firms, in all segments of the cannabis market. Cannabis companies, across every stage of the business lifecycle, need us to oversee the finance team—or get one going, to run the daily accounting, close the books or bring in strategic finance insights. While we focus on the finance, the rest of the company can focus on the business.

## Our Solutions:

- **Diagnostic:** Quickly diagnose the gaps in finance, accounting and operations.
- **Strategic financial advisory:** Provide CFO and controller expertise to make the right moves.
- **Outsourced accounting:** Create systems and processes, and provide day-to-day accounting, cost accounting, audit prep, and ongoing support.
- **Financial reporting and analysis:** Dig into the numbers for key insights.
- **Internal controls:** Mitigate fraud and reduce business risk.
- **Transaction support:** Ready the company for an IPO, M&A or RTO.

## Cannabis Segments Served:

The finance demands of cannabis companies are special and significant. Our expertise with helping companies through hypergrowth and dealing with the FDA and the regulatory world is invaluable. Finance experts who know the challenges of rapidly moving companies become trusted partners, bringing the kind of financial discipline that investors crave right into a company. By fulfilling a one-time finance and accounting need or ongoing support, our team keeps the company business running and ready for anything. Reach great heights with Kukuza.

Kukuza is a RoseRyan company providing finance and accounting solutions to fast-moving cannabis companies. Our Swahili name means growth and potential.
